Hi Mr. Oakes,

Please consider this email as documentation of your approval of a 30 day extension. You now have until March 23, 2014 to respond to the request for information.

Attached are copies of the documents that were found on the Site that have Quala Wash Systems listed on them. If you need any other information please let me know.

Thanks, Bonnie Hriczko

Ms. Hriczko: I am writing to confirm our telephone conversation of earlier today. I represent Quala Wash Systems. My client is one of the 146 PRPs that received EPA's information request for this Superfund Site. The purposes of this e-mail are to request: additional time to respond to the information request, and copies of the documents from which EPA identified my client as possibly having a connection to the Site. Based upon our telephone conversation, you indicated that an extension of 30 days to March 23, 2014, would likely be granted. The extension would help provide my client sufficient time to locate any potentially responsive documents. The second item will also help in that regard. If you require additional information at this time, please feel free contact me. Otherwise, I look forward to receiving your responses.
